|   |      |
|---|------|
| <b>Dedication</b>                           | iii  |
| <b>Preface</b>                              | vii  |
| <br>  |      |
| <b>Chapter 1</b>                            |      |
| Understanding the Softimage Interface ..... | 1-1  |
| <br>  |      |
| <b>Chapter 2</b>                            |      |
| Polygon Modeling .....                      | 2-1  |
| <br>  |      |
| <b>Chapter 3</b>                            |      |
| Surface and Curve Modeling .....            | 3-1  |
| <br>  |      |
| <b>Chapter 4</b>                            |      |
| Texturing .....                             | 4-1  |
| <br>  |      |
| <b>Chapter 5</b>                            |      |
| Introduction to Lighting .....              | 5-1  |
| <br>  |      |
| <b>Chapter 6</b>                            |      |
| Animation and Rigging .....                 | 6-1  |
| <br>  |      |
| <b>Chapter 7</b>                            |      |
| Rigid Bodies, ICE, and Lagoa .....          | 7-1  |
| <br>  |      |
| <b>Chapter 8</b>                            |      |
| Syflex Cloth and Hair .....                 | 8-1  |
| <br>  |      |
| <b>Chapter 9</b>                            |      |
| Face Robot and Compositing .....            | 9-1  |
| <br>  |      |
| <b>Chapter 10</b>                           |      |
| Rendering.....                              | 10-1 |

**Project 1**

ICE Simulation .....P1-1

**Project 2**

Texture with Transparency Map .....P2-1

**Project 3**

Crowd Simulation .....P3-1

**Index**

**I-1**
